Wednesday, 15 May 2024; 6.15 p.m.

## PISA 2022 LSA Study Design and Key Findings

**Professor Dr Doris Lewalter**  
**Centre for International Student Assessment**

Doris Lewalter is Professor of Formal and Informal Learning at the Technical University of Munich and acts as chairwoman at the Centre for International Student Assessment, where she leads the National Centre PISA.

Her research involves analysing the conditions, processes and outcomes of learning and teaching in formal and informal settings. She is also interested in the potential for the integration of these various learning environments into secondary schools to enhance learning and increase student motivation. Her research extends, as well, to educational research and evaluation in informal learning settings.
